

EFFORTS FOR RASPBERRYPRODUCE.COM

CURRENT V.7

Expanding on Stage II prototyping to develop unifying product/concept. Taking the various boards & merging into concept of PC/mainframe for prototyping which will form the brain of VESC + energy village builder toolkit.

👉 See V.7 [Google PDF](#)

NEXT STEPS

- Source parts & test
- Branding plan
- Put on website

Invoiced against \$80/hr to keep track of project effort—not for billing.
